NEWSLETTER MAY 2025

One week to go before the season kicks off! This newsletter has important information you must act upon before Sunday's matches. **Please ensure you have completed items 1 to 3 before this Sunday May 11.**

1. Registration

You **MUST** register in order to be placed in a team.

You will be sent a separate email regarding how to register, please look out for this and action as soon as you possibly can.

Registration cost \$60.00 and covers 2 areas:

- a. Cricket Australia Insurance and Media maintenance - \$36.50
- b. Cricket Far North registration to cover costs and administration - \$23.50

Once registered you will be moved into your teams ready for the first match.

You will appear on the team list in the PlayCricket App and can be added to the electronic scorebooks which will be used during the games.

2. Get a CricketID so you can use the Cricket Australia Apps such as PlayCricket (see below) and Live Score App.

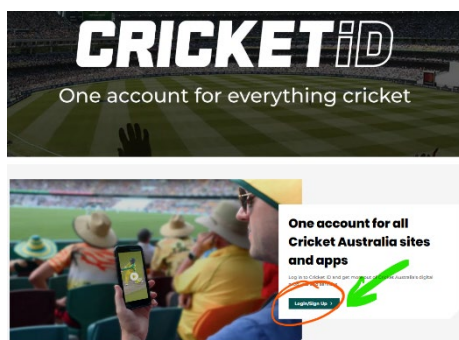

IF you have played in the Summer Season, you may already have a cricket ID.

Your CricketID is your email address and a preferred password.

Please follow these steps.

You can do this on your computer, tablet or mobile smart phone:

- a. [Click/Tap on this link](https://www.cricket.com.au/cricket-id) to take you to <https://www.cricket.com.au/cricket-id>.
- b. Click/Tap on **Login/Sign Up**

- c. If you already have a Cricket ID, or think you may have, enter your **email address and password** (1). **If you do login, then you do not need to progress any further. Move to 3**

Below.

or **CREATE ACCOUNT** (2).

If you would like to read more about the Cricket ID, click on the bottom link “Learn more about Cricket ID”.

d. Fill in the form to create your account. This is straight forward. Please write down your password somewhere safe so you do not forget it.

e. Add your mobile and preferences etc.

f. Log out.

3. Download and setup the PlayCricket App. (If you don't have it).

Download this App to your phone or tablet.

a. Go to your tablet/phone's relevant store (Apple or Android)

b. Search for PlayCricket App.

c. Install the App.

d. Open the App.

e. You will be asked for your Cricket ID initially, enter this detail and then you will reach your home screen.

f. On your home screen (sorry I can't show you what a new home screen looks like because I already have this setup on my phone) **tap on the Competition logo** at the bottom of the page.

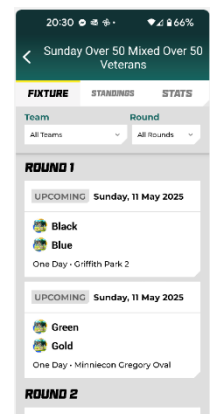

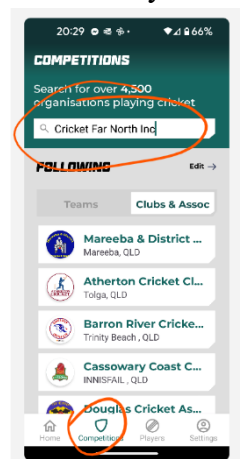

g. On the Search for Clubs and Association type in **Cricket Far North Inc.**

h. Select this when it appears below the search box, this will take you to this association.

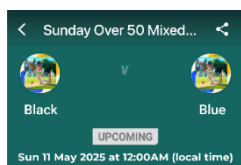

i. In the **Season box**, you should see

WINTER 2025 if not tap on the down arrow in that box and choose it from the list.

j. Tap on **Sunday Over 50 Mixed Over 50 Veterans**. This will take you to the draw for the season.

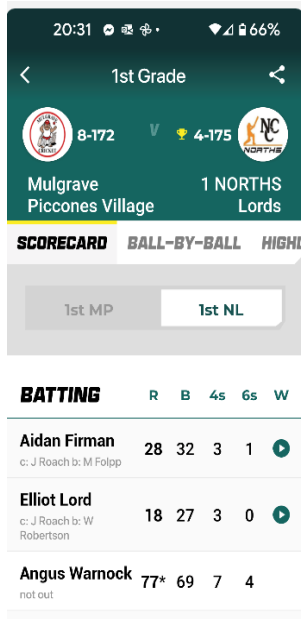

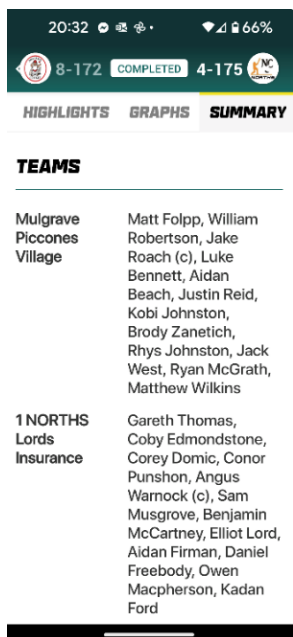

k. Scroll down and you will see all 7 rounds.

l. Tap on to your team's round 1 match.

This will show you details of the match. As team members are added, they will appear here under 'Summary'. Once you have registered and had your name added to the team list, you will see your name against your team.

m. Opposite are samples of the team lists and how the app shows live scores. If you are away and want to see how the game is going, you can open this app and watch the scoreboard, even the ball-by-ball detail.

If there is a Frogbox (video streaming) on the ground, you can even watch the game live on your mobile, tablet, TV (If you can work out how to get the vision up on YouTube).

This will also show the dismissals and 4s and 6s highlights. Pretty cool!

You can also go in at any time and look at any match that has been played. You can look up your favourite player's stats (or your own) etc. This App is essential for every player.

Teams and Equipment kits

- There will be an equipment kit for each match which will include bats, pads, helmets and batting gloves for those who do not have any of these items.
- If you have gear you would like to donate to these kits, please bring them along to your first match.

Uniforms and caps

- Each player will receive a playing shirt and a cap.
- Each team will have a particular-coloured cap.
- These have been ordered but will not be available until the second round with luck.
- Cost for the shirts = \$40.00 and \$18.00 for the caps. You can pay for these when you receive them at your match.
- As was the case last season, playing trousers will be white, provided by yourself.
- As we will be playing primarily on turf, please make sure you have spikes.

Just a reminder also, if you didn't play during the summer, check your spikes and re-glue the soles because we have all seen soles coming off in the first few matches of winter. 😊

Kind regards
